Examination and Evaluation Techniques and Methodology

The Examination and Evaluation Techniques and Methodology should be aligned with the objectives of legal education, professional skills development, critical thinking, research aptitude, and practical training. The following framework may be adopted for an autonomous law institution Autonomous IMIRC College of Law.

1. Objectives of Evaluation

- Assess students' understanding of legal concepts, principles, and theories.
- Evaluate analytical, reasoning, and problem-solving abilities.
- Measure legal research, drafting, and advocacy skills.
- Promote continuous learning and professional competence.
- Ensure attainment of Course Outcomes (COs) and Programme Outcomes (POs).

2. Continuous Internal Assessment (CIA) – 30%

The institution shall adopt a continuous assessment system comprising:

Component	Weightage (%)
Mid-Semester Examination	25
Assignments / Case Analysis	05
Seminar Presentation / Group Discussion	
Attendance and Class Participation	
Moot Court / Practical Exercises / Viva Voce	
Total	30

3. End Semester Examination (ESE) – 70%

- Conducted at the end of each semester.
- Duration: 3 Hours.
- Question paper based on Bloom's Taxonomy and Outcome-Based Education.
- Combination of objective, very short answer, short answer, and descriptive/problem-based questions. (Note: Depend on question paper setter if they require to objective question they allow)
- Practical papers may include viva-voce and record evaluation.

4. Innovative Evaluation Techniques

A. Case Study Analysis

- Analysis of landmark judgments.
- Identification of legal issues and application of principles.

B. Moot Court Exercises

Evaluation of memorial drafting, advocacy skills, legal reasoning, and courtroom etiquette.

C. Clinical Legal Education

H.O.: 79/80, Radhey Shyam Park, Sec. 5, Rajender Nagar, Sahibabad, Ghaziabad (U.P.)

Campus : Garh Siyana Road, Bhaina, Garh Mukteswar, Hapur (Ghaziabad)

Phone : 05731-262222, 262223, 09311699997, 09458690543

Email : imircindia@gmail.com Website : www.imirclawcollege.ac.in

- Assessment through:
- Legal Aid Clinic participation.
- Client counselling.
- Drafting of legal documents.
- Mediation and negotiation exercises.

D. Research Projects

- Research papers, article reviews, and policy analysis.
- Evaluation based on originality, methodology, citations, and presentation.

E. Open Book Examination (Selective Courses)

- Applied legal problem-solving and interpretation of statutes.
- Focus on analysis rather than memorization.

F. Viva-Voce Examination

Assessment of:

- Conceptual clarity.
- Communication skills.
- Professional ethics.

5. Practical Training Evaluation

Activity	Evaluation Method
Moot Court	Memorial + Oral Presentation
Internship	Internship Diary + Viva
Legal Aid Camp	Participation Report
Court Visit	Observation Report
Drafting & Pleading	Document Preparation

6. Question Paper Design

The question paper should be designed in accordance with NEP 2020, Outcome-Based Education (OBE), and Bloom's Taxonomy, ensuring assessment of legal knowledge, analytical ability, critical thinking, legal reasoning, and problem-solving skills.

1. General Pattern (Theory Paper)

Maximum Marks: 70

Duration: 3 Hours

Section	Type of Questions	No. of Questions
Section A	Short Answer Questions	5 out of 8
Section B	Medium Answer Questions	4 out of 5
Section C	Long/ Analytical Questions	2 out of 4
Section D	Case Study/ Problem-Based Questions	1 out of 2
Total	4	12 out of 19

Total Marks

70

2. Bloom's Taxonomy Distribution

Cognitive Level	Percentage	Cognitive Level
Remembering	15%	Remembering
Understanding	20%	Understanding
Applying	25%	Applying
Analyzing	20%	Analyzing
Evaluating	10%	Evaluating
Creating	10%	Creating

3. Course Outcome-Based Distribution

Course Outcome	Description	Marks
CO1	Understanding of Legal Concepts	15
CO2	Interpretation of Statutes and Cases	15
CO3	Application of Legal Principles	15
CO4	Legal Analysis and Critical Thinking	15
CO5	Problem Solving and Legal Drafting	10
	Total	70

4. Model Question Paper Structure

Section A: Short Answer Questions (5 Marks) (20 Marks)

Attempt any 5 out of 8 questions.

Section B: Medium Answer Questions (20 Marks)

Attempt any four out of five questions

1. Define Rule of Law.
2. Explain the doctrine of separation of powers.
3. What is a tort?
4. Distinguish between crime and civil wrong.

(4× 5 Marks)

Section C: Long/ Analytical Questions (20 Marks)

6. Moderation Guidelines

- 30% Easy Questions
- 50% Moderate Questions
- 20% Difficult Questions
- At least one case-study/problem-based question.
- Coverage of all units of the syllabus.
- Questions mapped with Course Outcomes (COs) and Programme Outcomes (POs).

7. Grading System

Range of Marks (%)	Grade	Grade Points	Description
> 90 ≤ 100	O	10	Outstanding
> 80 ≤ 90	A+	9	Excellent
> 70 ≤ 80	A	8	Very Good
> 60 ≤ 70	B+	7	Good
> 55 ≤ 60	B	6	Above Average

Range of Marks (%)	Grade	Grade Points	Description
$\geq 50 \leq 55$	C	5	Average
$\geq 40 < 50$	P	4	Pass
< 40	F	0	Fail
—	Ab	0	Absent

SGPA = $\Sigma (C_i \times G_i) / \Sigma C_i$, where C_i is the credit hours of a course and G_i is the grade point earned in that course. CGPA is computed cumulatively from the second semester onward on the same formula, and is calculated only for candidates who have cleared all courses of the preceding semesters.

8. Transparency and Quality Assurance

- Double evaluation for dissertations and project reports.
- Provision for revaluation and scrutiny.
- Digital evaluation and result processing.
- Moderation of question papers.
- Feedback mechanism from students and faculty.
- Periodic review by Examination Committee and Academic Council.

9. Outcome-Based Evaluation

- Mapping of assessment tools with Course Outcomes.
- CO-PO attainment analysis every semester.
- Corrective measures for courses with low attainment levels.

10. Use of ICT in Evaluation

- Learning Management System (LMS) for assignments and quizzes.
- Online MCQ tests and formative assessments.
- Digital question bank and e-evaluation.
- AI-assisted plagiarism checking for research work.

This methodology ensures that law students are evaluated not only on theoretical knowledge but also on advocacy, research, drafting, ethical conduct, and practical legal skills required for the legal profession.

EXAMINATION & EVALUATION SCHEME

And

PANEL OF EXAMINERS / EVALUATORS

Agenda Item — Board of Studies (LL.B. / B.A.LL.B. / LL.M. / P.G. Diploma/All Programs) Meeting

Academic Year: 2026-27

Meeting Date: 12-09-2026

Agenda No.: _____

1. Preamble

This note is placed before the Board of Studies (BoS) for consideration and recommendation to the Academic Council. It sets out

- (a) The Examination and Evaluation Scheme applicable to the LL.B. / B.A.LL.B. / LL.M. / P.G. Diploma/ All Programs programmes, and
- (b) The constitution and eligibility norms for the Panel of Examiners and Evaluators (internal and external), for approval and onward notification through the Controller of Examinations.

The scheme is framed within the regulatory limits prescribed by the Bar Council of India (Legal Education Rules, 2008, Part IV), the guidelines of the Autonomous/ affiliating/parent University, and the autonomy provisions applicable to the College. Autonomy is exercised only in respect of internal assessment weightage, question-paper pattern, evaluation methodology, and constitution of examiner panels — not in respect of the statutory minimum papers, credit load, or degree nomenclature.

2. Regulatory Basis

- Bar Council of India Rules of Legal Education, 2008 (Part IV) — minimum papers, compulsory/clinical papers, and examination standards.
- UGC Regulations on autonomous colleges — scope of autonomy in evaluation and examiner appointment.
- Statutes/Ordinances of the affiliating University governing conduct of examinations at autonomous colleges.
- College Examination Ordinance and Academic Council Resolutions (as amended from time to time).

3. Examination Structure

3.1 Weightage of Components

Component	Weightage	Remarks
Internal Assessment (IA)	30%	Class tests, assignments, seminar, attendance, tutorial
End-Semester Examination (ESE)	70%	University/College-conducted written examination
Practical / Clinical Papers	40% Internal + 60% External	Includes viva-voce component; BCI-mandated papers
Project / Dissertation (LL.M.)	100% Internal + Viva	Supervisor evaluation + open defence before panel

3.2 Internal Assessment Break-up (Theory Papers, out of 30 marks — illustrative)

Component	Marks	Frequency
Written Test	25	Two per semester, best of two averaged / totalled
Assignment / Case Comment	05	One per paper per semester

3.3 Question Paper Pattern (End-Semester, illustrative)

- Section A: Short-answer / conceptual questions (compulsory) — 20%
- Section B: Long-answer analytical questions with internal choice — 50%
- Section C: Problem/case-based questions applying law to facts — 30%

The exact split, duration, and marks distribution for each paper shall be as approved separately in the paper-wise Course Outline / Scheme of Examination annexed to the syllabus.

4. Evaluation Methodology by Paper Type

Paper Type	Evaluation Method
Core / Elective Theory Papers	Internal Assessment + End-Semester written examination; single external/internal examiner evaluation with sample moderation.
Moot Court	Continuous evaluation across memorial drafting, oral rounds, and researcher's diary; judged by a panel of at least two faculty/practitioner judges.
Drafting, Pleading & Conveyancing	Written drafting exercises + viva-voce before a panel appointed by the Principal.
Professional Ethics & Professional Accounting System	Written examination + viva-voce; at least one external examiner from the Bar recommended.
Internship / Clinical Legal Aid	Internship diary, supervisor's certificate/report, and viva-voce evaluation.
Project / Dissertation (LL.M.)	Supervisor assessment of originality and content, plagiarism check, open seminar defence, and viva-voce by a panel including one external examiner.

5. Panel of Examiners / Evaluators

The Panel of Examiners/Evaluators for each academic year shall be constituted by the Principal on the recommendation of the BoS and approval of the Academic Council, drawn from the categories below.

5.1 Categories of Examiners

Category	Role
Internal Examiner	Faculty member of the College teaching the concerned paper; sets/evaluates internal assessment and may co-evaluate end-semester scripts.
External Examiner	Faculty from another recognised law college/university or a practising advocate/judicial officer of requisite standing; engaged for paper-setting, moderation, and/or viva-voce.
Paper Setter	Sets the end-semester question paper as per the approved pattern; 50% internal and 50% external, appointed confidentially by the Controller of Examinations.

Handwritten signatures and initials:
Vineeta, Anil, P. J. S., Anil, and others.

Category	Role
Moderator	Reviews the question paper for accuracy, syllabus coverage, and difficulty balance prior to printing.
Practical / Viva-Voce Examiner	Evaluates clinical papers, moot court, drafting, and dissertation defence; panel of minimum two, with at least one external member for terminal semesters.
Chief Examiner / Coordinator	Senior faculty member coordinating a subject's evaluation across all examiners; responsible for tabulation and consistency.

5.2 Eligibility Criteria (illustrative — to align with University/BCI norms)

- Minimum PG qualification in Law (LL.M.) with NET/SET/Ph.D. as applicable for theory paper examiners.
- Minimum 3–5 years of teaching or equivalent professional (Bar/Bench) experience for external examiners.
- Practising advocates proposed as examiners for clinical papers should have a minimum of 5 years' standing at the Bar.
- No examiner shall evaluate a paper in which they have a conflict of interest (e.g., a relative appearing as candidate).
- External examiners to be empanelled from a minimum of three different affiliating institutions to avoid over-concentration.

6. Examination Committee

Constituted by the Principal to oversee the conduct of examinations, comprising:

- Principal — Dr. A.K.Singh Chairperson
- Controller of Examinations — Dr. Dharendra Pratap Singh Secretary
- Head, Department of Law — Dr. Salim Khan -Member
- Three senior faculty members- 1. Mr. Adarsh Kumar Singh- (Rotational) — Members
2. Mr.Pradeep Tiwari— Members
3. Dr. Prakashvir — Members
- One external subject expert (invitee,) — Dr. Manoj Kumar Sharma - Member

7. Moderation Committee

Reviews question papers before printing and reviews evaluated answer scripts on a sample basis (typically 5–10% of scripts, and all scripts with borderline/failing marks) to ensure evaluation consistency across examiners. Comprises:

- Head, Department of Law — Dr. Saleem Khan -Convener
- Three senior faculty members — 1. Mr. Adarsh Kumar Singh - Members
2. Mr.Pradeep Tiwari- Members
3. Dr. Prakashvir - Members
- Controller of Examinations — Dr. Dharendra Pratap Singh- Member

8. Malpractice & Grievance Redressal

- Unfair means cases referred to a Disciplinary/Unfair-Means Committee constituted separately by the Principal.
- Revaluation/rechecking requests to be routed through the Controller of Examinations within the notified window (typically 7–15 days of result declaration).
- Grade/marks disputes to be resolved by the Examination Committee; decision to be communicated in writing to the candidate.

9. Recommendation

The Board of Studies is requested to consider and recommend the above Examination & Evaluation Scheme and the constitution of the Panel of Examiners/Evaluators for onward approval by the Academic Council for the academic year noted above.

VALUE ADDED COURSE ON ARTIFICIAL INTELLIGENCE (AI) & LAW

A 15-day Value-Added Course (VAC) on **Artificial Intelligence (AI) & Law** equips law students with the legal, ethical, and regulatory tools required to navigate autonomous systems. It bridges the gap between emerging AI tools, global/national regulatory frameworks, intellectual property disputes, algorithmic bias, and practical prompt engineering for legal workflows.

Course Overview

- **Course Title:** Executive Certificate in Artificial Intelligence & Legal Practice
- **Target Audience:** B.A. LL.B. & LL.B. Students (3rd–5th Year / 2nd–3rd Year)
- **Duration:** 15 Days (30 Hours Total | 2 Hours/Day)
- **Mode:** Practical Lab / Classroom Hybrid
- **Pedagogy:** Case Studies, Live AI Prompt Engineering, Algorithmic Audit Simulations, and Mock Regulatory Compliance Workbooks

Detailed Syllabus

Module 1: Fundamentals of AI, Legal Tech & Jurisprudence

- **Day 1: Introduction to AI Technologies & Legal Tech Landscape**
 - Machine Learning (ML), Deep Learning, Large Language Models (LLMs), and Generative AI.
 - Evolution of Legal Tech: Research automation, predictive analytics, and contract review engines.
- **Day 2: AI Ethics, Algorithmic Bias & Constitutional Human Rights**
 - Bias in AI algorithms (discrimination in hiring, credit scoring, predictive policing).
 - Article 14 (Equality) and Article 21 (Right to Privacy/Dignity) challenges against "black-box" decisions.
- **Day 3: Global Regulatory Frameworks (EU AI Act & US Model)**
 - EU AI Act: Risk-based classification (Unacceptable, High, Limited, Minimal Risk).
 - US Executive Orders & FTC enforcement on AI fairness and deceptive automated practices.

Module 2: Indian Regulatory Landscape & Data Protection Interlock

- **Day 4: AI Governance & Policy Framework in India**
 - MeitY AI Governance Guidelines and India AI Mission framework.
 - IT Act provisions and IT (Intermediary Guidelines) Amendment Rules on synthetic content and deepfakes.
- **Day 5: AI Training Data & Data Protection Laws**
 - Data scraping vs. Digital Personal Data Protection (DPDP) Act compliance.
 - User consent for training foundation models and handling personal data in inference models.
- **Day 6: Legal Liability, Autonomous Systems & Product Liability**
 - Tort liability: Negligence, Strict Liability, and Consumer Protection Act applications to autonomous tools.

- Who is liable when AI fails? Developer vs. Deployer vs. End-User liability.

Module 3: Intellectual Property Rights (IPR) in the Age of AI

- **Day 7: Copyright Law & Generative AI**
 - Copyrightability of AI-generated content (*human authorship requirements*).
 - Copyright infringement claims: Web scraping, training set data, and "Fair Use" defenses.
- **Day 8: Patent Law, Trade Secrets & AI Inventions**
 - Can AI be an "Inventor"? (Analysis of the *DABUS* cases globally and Indian Patent Office position).
 - Protecting proprietary AI models, source code, and training weights as Trade Secrets.

Module 4: Special Application Domains & Deepfakes

- **Day 9: Deepfakes, Synthetic Media & Criminal Law**
 - Legal remedies against deepfakes, non-consensual synthetic imagery, and identity theft under BNS and IT Act.
 - Evidentiary challenges of authentication under Bharatiya Sakshya Adhiniyam (BSA), 2023.
- **Day 10: AI in Finance, Healthcare & Employment**
 - Algorithmic trading and RBI regulation of AI in fintech.
 - AI diagnostics, medical negligence, and automated workplace hiring compliance.

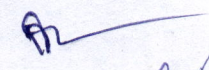

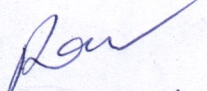

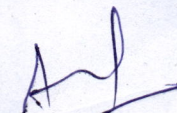

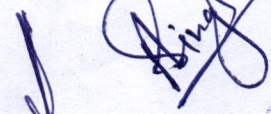

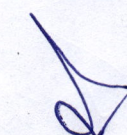

Module 5: Practical Legal Skills & AI Tools Laboratory

- **Day 11: Prompt Engineering & AI Tools for Lawyers**
 - Hands-on workshop: Crafting structured prompts for case law synthesis, statutory analysis, and contract review.
 - Risks of AI "Hallucinations" and professional ethical duties (*Mata v. Avianca* precedent).
- **Day 12: Drafting Workshop I – AI Terms of Use & Acceptable Use Policies**
 - Practical exercise: Drafting an Acceptable Use Policy (AUP) for enterprise AI deployment.
- **Day 13: Drafting Workshop II – Vendor Contracts & AI Risk Disclaimers**
 - Practical exercise: Drafting indemnification and IP allocation clauses in AI software procurement contracts.
- **Day 14: Practical Algorithmic Audit & Impact Assessment**
 - Exercise: Running a simulated AI Impact Assessment / Algorithmic Audit for a high-risk AI tool.
- **Day 15: Mock AI Regulatory Hearing & Assessment**
 - Simulation: Presenting arguments before a mock AI Ethics & Compliance Committee.
 - Final Assessment & Certification.

15-Day Teaching & Delivery Plan

The bottom section of the page contains several handwritten signatures in blue ink. From left to right, the signatures are: Vineeta., Ankit, Ram, Aril, and a signature that appears to be 'Bing' or 'Bingal'. There are also some other less distinct signatures and initials scattered around.

Day	Topic	Session Type	Hours	Practical Activity / Outcome
Day 1	AI Tech Foundations & Legal Tech Tools	Lecture	2	Analyzing Legal Tech Workflow Demos
Day 2	AI Ethics, Bias & Constitutional Rights	Lecture + Case Study	2	Evaluating Algorithmic Bias in Hiring Tools
Day 3	EU AI Act & Global Frameworks	Lecture	2	Classifying AI Systems by Risk Tiers
Day 4	Indian AI Governance & Deepfake Rules	Interactive Lecture	2	Mapping Rules under IT Act & MeitY Guidelines
Day 5	Training Data vs. DPDP Act Compliance	Case Analysis	2	Auditing Web Scraping for Data Protection
Day 6	Liability for AI Failures & Torts	Discussion	2	Resolving Autonomous Vehicle Crash Scenarios

VALUE ADDED COURSE ON POSH (PREVENTION OF SEXUAL HARSSMENT) & LABOUR LAW COMPLIANCE

A 15-day Value-Added Course (VAC) on **POSH & Labor Law Compliance** equips law students with practical knowledge of workplace harassment regulations, statutory labor compliance, internal committee proceedings, and industrial relations. It incorporates recent labor law developments, including the structural changes under the **Four Labor Codes** (Code on Wages, Industrial Relations Code, Code on Social Security, and Occupational Safety, Health and Working Conditions Code).

Course Overview

- **Course Title:** Executive Certificate in POSH Compliance, Internal Committee Inquiry & Labor Law Audit
- **Target Audience:** B.A. LL.B. & LL.B. Students (3rd–5th Year / 2nd–3rd Year)
- **Duration:** 15 Days (30 Hours Total | 2 Hours/Day)
- **Mode:** Practical Workshop / Corporate Simulation Hybrid
- **Pedagogy:** Case Law Analysis, Live Drafting of IC Reports, Domestic Inquiry Simulations, and Statutory Audit Exercises

Detailed Syllabus

Module 1: POSH Act Framework & Workplace Rights

- **Day 1: Statutory Framework & Scope of POSH Act, 2013**
 - Evolution of POSH: *Vishaka v. State of Rajasthan* to the 2013 Act.
 - Definitions: "Aggrieved Woman", "Respondent", "Workplace" (extended workplace, remote work, official trips).
- **Day 2: Forms of Sexual Harassment & Prevention Obligations**
 - Quid Pro Quo vs. Hostile Work Environment.
 - Employer mandates: POSH Policy drafting, annual awareness workshops, and display of notices.

Module 2: Internal Committee (IC) Governance & Inquiry Mechanics

- **Day 3: Constitution & Legal Status of Internal Committee (IC)**
 - Composition requirements: Presiding Officer, Employee Members, External Member selection criteria.
 - Role and legal duties of the External Member.
- **Day 4: Complaint Conciliation & Formal Inquiry Procedure**
 - Timeline limits (90-day inquiry rule); Conciliation process vs. Formal Inquiry.
 - Principles of Natural Justice, cross-examination rules, and evidence handling in IC proceedings.
- **Day 5: IC Inquiry Report Drafting & Employer Action**
 - Drafting a legally sound IC Investigation/Inquiry Report with findings and recommendations.
 - Employer obligations, interim relief measures, disciplinary actions, and appeal mechanisms (Section 18).

Module 3: Core Labor Laws & Wage Compliance

Vineeta. *32* *Ran* *Anil* *Ankit* *2*

- **Day 6: Wages, Equal Remuneration & Code on Wages Framework**
 - Key provisions of Minimum Wages, Payment of Wages, and Equal Remuneration.
 - Overview of the Code on Wages: Uniform definition of "Wages", wage caps, and overtime rules.
- **Day 7: Social Security Laws (PF, ESI, Gratuity & Maternity Benefit)**
 - EPF & ESI Act coverage, contribution thresholds, and employer liabilities.
 - Payment of Gratuity Act and Maternity Benefit Act (including creche rules and work-from-home options).

Module 4: Industrial Relations, Disciplinary Action & Labor Audit

- **Day 8: Standing Orders & Domestic Inquiry Procedure**
 - Industrial Employment (Standing Orders) Act: Misconduct types and service rules.
 - Conducting a Domestic Inquiry: Charge-sheet drafting, suspension, enquiry officer appointment, and principles of natural justice.
- **Day 9: Industrial Disputes, Retrenchment & Termination**
 - Industrial Disputes Act / Industrial Relations Code: Lay-off, Retrenchment, Closure, and Unfair Labor Practices.
 - Drafting lawful termination notices, severance pay calculations, and full-and-final settlement deeds.
- **Day 10: Contract Labor & Working Conditions (OSH Code)**
 - Contract Labor (Regulation & Abolition) Act / OSH Code: Principal Employer obligations vs. Contractor liability.
 - Working hours, leave policies, and health/safety compliance.

Module 5: Practical Legal Drafting, Labor Audit & Evaluation

- **Day 11: Drafting Workshop I – Corporate POSH Policy & IC Notices**
 - Live drafting of a compliant POSH Policy, complaint notices, and conciliation terms.
- **Day 12: Drafting Workshop II – Employee Charge-Sheets & Show-Cause Notices**
 - Live drafting of disciplinary Charge-Sheets, Show-Cause Notices, and Suspension Orders.
- **Day 13: Labor Law Audit & Compliance Reporting Simulation**
 - Executing a simulated Labor Compliance Audit for an enterprise: Statutory registers, returns, and inspection readiness.
- **Day 14: Mock Internal Committee (IC) Proceeding Simulation**
 - Practical simulation: IC hearing involving witness examination, evidence assessment, and deliberations.
- **Day 15: Capstone Assessment & Portfolio Evaluation**
 - Timed assessment: Drafting an IC Inquiry Report based on a complex workplace harassment scenario.
 - Course evaluation and certificate distribution.

VALUE ADDED COURSE ON INTELLECTUAL PROPERTY RIGHTS (IPR) & TECHNOLOGY TRANSFER

A 15-day Value-Added Course (VAC) on **Intellectual Property Rights (IPR) & Technology Transfer** equips law students with the skills required to protect, commercialize, and license intellectual assets. This course bridges statutory IP frameworks (Patents, Trademarks, Copyrights, Trade Secrets) with the legal mechanics of technology transfer, IP valuation, tech licensing, and cross-border commercialization.

Course Overview

- **Course Title:** Executive Certificate in Intellectual Property Asset Management & Technology Transfer
- **Target Audience:** B.A. LL.B. & LL.B. Students (3rd–5th Year / 2nd–3rd Year)
- **Duration:** 15 Days (30 Hours Total | 2 Hours/Day)
- **Mode:** Practical Lab / IP Workshop Hybrid
- **Pedagogy:** Patent Prior Art Searching, Live Licensing Clause Drafting, Trademark Examination Audits, and Tech Transfer Mock Negotiation

Detailed Syllabus

Module 1: Modern IPR Architecture & Commercial Assets

- **Day 1: Strategic IP Portfolio Management & Monetization Frameworks**
 - Overview of IP assets: Patents, Trademarks, Copyrights, Designs, Geographical Indications, and Trade Secrets.
 - Commercializing IP: In-house exploitation vs. Licensing, Franchising, Assignment, and Joint Ventures.
- **Day 2: Trademarks, Brand Protection & Digital Domain Names**
 - Trademark registration process, search procedures, and grounds for refusal (Absolute vs. Relative).
 - Infringement, Passing Off, Domain Name Disputes (UDRP), and online brand enforcement.
- **Day 3: Copyrights, Software Protection & Entertainment Law**
 - Ownership, Authorship, and Moral Rights in artistic, literary, and musical works.
 - Copyright in software, databases, source code protection, and open-source licensing regimes.

Module 2: Patent Law, Patent Analytics & Prior Art Searching

- **Day 4: Patentability Criteria & Statutory Exclusions**
 - Novelty, Inventive Step (Non-obviousness), and Industrial Applicability.
 - Non-patentable subject matter (Section 3 of Indian Patents Act) with focus on Section 3(d) [Pharma] and Section 3(k) [Software/Algorithms].

- Contractual obligations between Data Fiduciaries and Processors (Data Processing Agreements - DPAs).

Module 3: Advanced Topics, Tech Integration & Enforcement

- **Day 8: Data Protection Impact Assessment (DPIA) & Privacy by Design**
 - Principles of Privacy by Design (PbD) in technology systems.
 - How to conduct a Data Protection Impact Assessment (DPIA) for high-risk data processing.
- **Day 9: Cross-Border Data Transfers & Cloud Compliance**
 - Rules governing international data flows and data localization restrictions.
 - Standard Contractual Clauses (SCCs) and global adequacy decisions.
- **Day 10: Regulatory Enforcement & Data Protection Board**
 - Structure, powers, and procedures of the Data Protection Board of India (DPBI).
 - Appeals to TDSAT and penalties (up to ₹250 crore).
- **Day 11: Data Breaches & Incident Response**
 - Mandatory breach reporting protocols (DPBI and affected individuals).
 - Formulating an Incident Response Plan (IRP) for corporate clients.

Module 4: Practical Legal Drafting Workshops

- **Day 12: Drafting Workshop I – Privacy Policies & Notices**
 - Hands-on exercise: Drafting multi-lingual, compliant Privacy Notices and Website Privacy Policies.
- **Day 13: Drafting Workshop II – Data Processing Agreements (DPAs)**
 - Hands-on exercise: Drafting vendor DPA clauses, liability allocation, and indemnities.

Module 5: Moot Exercise & Evaluation

- **Day 14: Practical Legal Audit Simulation**
 - Practical exercise: Students perform a simulated "Data Audit" for a mock startup to identify privacy compliance gaps.
- **Day 15: Regulatory Board Hearing Simulation & Final Assessment**
 - Simulated breach hearing before a mock Data Protection Board.
 - Final MCQ & Assessment submission.

VALUE ADDED COURSE ON CONTRACT DRAFTING, NEGOTIATION & CONVEYANCING

A 15-day Value-Added Course (VAC) on **Contract Drafting, Negotiation & Conveyancing** bridges the gap between legal theory and commercial practice. Designed for law students, this course focuses on structuring, drafting, negotiating commercial contracts, and handling property conveyancing instruments.

Course Overview

- **Course Title:** Practical Certificate in Commercial Contract Drafting, Negotiation & Conveyancing
- **Target Audience:** B.A. LL.B. & LL.B. Students (3rd–5th Year / 2nd–3rd Year)
- **Duration:** 15 Days (30 Hours Total | 2 Hours/Day)
- **Mode:** Practical Lab / Workshop Hybrid
- **Pedagogy:** Live Clause Construction, Redlining Workshops, Mock Negotiation Simulations, and Title Search Audits

Detailed Syllabus

Module 1: Anatomy & Architecture of Commercial Contracts

- **Day 1: Fundamentals of Commercial Contracting & Structural Blueprint**
 - Essential elements of a commercial contract beyond basic contract law principles.
 - Structural layout: Preamble, Recitals, Definitions, Operative Clauses, Boilerplate, Schedules, and Execution blocks.
- **Day 2: Drafting Core Operative Clauses (Part I)**
 - Covenants, Representations & Warranties, Conditions Precedent (CPs), and Conditions Subsequent (CSs).
 - Structuring Payment Terms, Earn-outs, and Consideration Clauses.
- **Day 3: Drafting Risk Management & Limitation Clauses (Part II)**
 - Indemnities vs. Guarantees: Drafting precise indemnity provisions.
 - Limitation of Liability (LoL) caps, Exclusion of Consequential Damages, and Force Majeure clauses.
- **Day 4: Termination, Default & Dispute Resolution Clauses**
 - Events of Default (EoD), Cure Periods, and Termination for Convenience vs. Cause.
 - Drafting Escalation Clauses, Governing Law, Jurisdiction, and Arbitration Agreements.

Module 2: Practical Drafting of Specific Commercial Agreements

- **Day 5: Non-Disclosure Agreements (NDAs) & MOUs**
 - Drafting unilateral vs. bilateral NDAs; defining "Confidential Information" exclusions.
 - Binding vs. Non-binding clauses in Memoranda of Understanding (MOUs) and Term Sheets.
- **Day 6: Service Level Agreements (SLAs) & Vendor Contracts**

[Handwritten signatures and initials at the bottom of the page:]
Vineeta, Anil, Ran, Raju, Anil, J. Anil

- **Day 7: Employment Contracts & Restrictive Covenants**

Module 3: Contract Negotiation & Redlining Mechanics

- **Day 8: Contract Redlining, Markup Standards & Version Control**
 - Industry standards for track changes, comment notes, and clean draft presentation.
 - Identifying high-risk "trap clauses" during contract review.
- **Day 9: Commercial Negotiation Strategies & Tactics**
 - BATNA (Best Alternative to a Negotiated Agreement), ZOPA (Zone of Possible Agreement), and trade-off mechanics.
 - Negotiating allocation of risk: Indemnities, liability caps, and termination remedies.
- **Day 10: Mock Contract Negotiation Workshop**
 - Live redlining and negotiation simulation between opposing counsel teams over an MSA/NDA draft.

Module 4: Property Law & Conveyancing Instruments

- **Day 11: Title Verification, Search Reports & Property Due Diligence**
 - Practical mechanics of investigating title, public notices, encumbrance certificates, and mutation entries.
 - Structuring a Property Search & Title Verification Report.
- **Day 12: Conveyancing I – Sale Deeds & Agreements to Sell**
 - Drafting Sale Deeds, Agreements to Sell, and Consideration Payment Schedules.
 - Recitals of title devolution, indemnity for encumbrances, and vacant possession delivery.
- **Day 13: Conveyancing II – Lease Deeds & Leave and License Agreements**
 - Lease vs. License: Key distinctions under property law and stamp duty implications.
 - Drafting Commercial Lease Agreements: Security deposit clauses, lock-in periods, maintenance, and sub-letting covenants.
- **Day 14: Conveyancing III – Mortgage Deeds, Gift Deeds & Relinquishment Deeds**
 - Structuring Simple vs. Equitable Mortgage Deeds, Gift Deeds, and Family Settlement/Relinquishment Deeds.
 - Registration requirements under the Registration Act, 1908, and Stamp Duty computation basics.

Module 5: Final Review & Capstone Assessment

- **Day 15: Practical Assessment & Portfolio Review**
 - Live 90-minute drafting challenge: Drafting a customized commercial contract/deed based on a factual client brief.

Module 5: Final Review & Capstone Assessment

- Day 15: Practical Assessment & Portfolio Review
 - Live 90-minute drafting challenge: Drafting a customized commercial contract/deed based on a factual client brief.

[Handwritten signatures and initials are visible in the background of the page, including "Vineeta", "Ankur", "Rohit", and others.]

- Viva/Portfolio evaluation and feedback session.

VALUE ADDED COURSE ON CYBER LAW & DIGITAL FORENSICS

A 15-day Value-Added Course (VAC) on **Cyber Law & Digital Forensics** provides law students with a clear advantage by connecting procedural law with practical technical investigation. It addresses how digital evidence is searched, seized, analyzed, and presented under the **Information Technology Act, 2000**, the **Bharatiya Sakshya Adhiniyam (BSA), 2023** (which replaced the Indian Evidence Act), and procedural frameworks under the **Bharatiya Nagarik Suraksha Sanhita (BNSS), 2023**.

Course Overview

- **Course Title:** Executive Certificate in Cyber Law, Electronic Evidence & Digital Forensics
- **Target Audience:** B.A. LL.B. & LL.B. Students (3rd–5th Year / 2nd–3rd Year)
- **Duration:** 15 Days (30 Hours Total | 2 Hours/Day)
- **Mode:** Practical Lab / Classroom Hybrid
- **Pedagogy:** Case Law Analysis, Live Tool Demonstrations (FTK Imager, Wireshark, Autopsy), Draft Certification Exercises, and Mock Trial Evidence Arguments

Detailed Syllabus

Module 1: Cyber Law Foundations & Statutory Frameworks

- **Day 1: Introduction to Cyberlaw & Jurisdiction Challenges**
 - Evolution of cybercrime and borderless jurisdiction issues (Sec. 1, 75 IT Act).
 - Classifying cybercrimes: Offenses against individuals, property, and state security.
- **Day 2: Substantive Cyber Offenses under IT Act & BNS**
 - Hacking, data theft, identity theft, and source code tampering (Sec. 43, 66, 66C, 66D IT Act).
 - Cyber terrorism (Sec. 66F IT Act) and overlap with Bharatiya Nyaya Sanhita (BNS) provisions.
- **Day 3: Intermediary Liability & E-Commerce Regulations**
 - Safe harbor provisions for platforms under Sec. 79 IT Act and IT Rules (Intermediary Guidelines).
 - Analysis of landmark cases: *Shreya Singhal v. Union of India*, *Google India v. Visaka*.

Module 2: Electronic Evidence & Procedure under New Criminal Laws

- **Day 4: Admissibility of Electronic Records (BSA 2023 & Sec. 65B Preserved Concepts)**
 - Electronic records as primary vs. secondary documentary evidence under Section 61/63 of BSA, 2023.
 - Judicial evolution: *Anvar P.V. vs. Arjun Panditrao Khotkar*.
- **Day 5: Search, Seizure & Mandatory Videography (BNSS 2023)**
 - Procedural mandates for audio-video recording of search and seizure under Section 105 of BNSS, 2023.
 - Police powers to impound electronic devices and demand passwords/encryption keys.

(Handwritten signatures and initials at the bottom of the page)

- **Day 6: Chain of Custody & Hash Values**
 - Maintaining evidence integrity: MD5/SHA-256 cryptographic hash generation.
 - Preventing evidence tampering during seizure; drafting an indisputable Evidence Logbook.

Module 3: Core Digital Forensics Practice

- **Day 7: Computer & OS Forensics**
 - Understanding RAM (Volatile Data) vs. Hard Disk (Non-Volatile Data) extraction.
 - System logs, registry analysis, browser history, and deleted file recovery concepts.
- **Day 8: Mobile Forensics & Messaging App Analysis**
 - Extraction of WhatsApp, Telegram, call logs, and geo-location metadata.
 - Admissibility of chat screenshots vs. forensic extraction reports.
- **Day 9: Network, Cloud & Email Forensics**
 - Email header analysis (IP tracking, spoofed emails, MIME types).
 - ISP log preservation requests (Section 91/BNSS Section 94 notices).
- **Day 10: Financial & Fintech Cyber Crimes**
 - Online banking fraud, UPI scams, SIM swapping, and cryptocurrency tracing fundamentals.
 - Role of CERT-In, Cyber Crime Reporting Portals, and freezing proceeds of crime.

Module 4: Advanced Cyber Defense & Legal Drafting

- **Day 11: Dark Web, AI Crimes & Deepfakes**
 - Legal framework governing deepfakes, synthetic media, and AI-driven frauds.
 - Darknet market investigations and handling untraceable digital assets.
- **Day 12: Drafting Workshop I – Electronic Evidence Certificates**
 - Hands-on drafting of electronic evidence certificates under BSA, 2023 (formerly Sec. 65B IT Act/IEA).
- **Day 13: Drafting Workshop II – Cyber Complaints & Section 94 BNSS Notices**
 - Live drafting of a formal Police Cyber Crime Complaint and formal legal notices to ISPs/Intermediaries.

Module 5: Forensic Lab Simulation & Evaluation

- **Day 14: Practical Forensic Lab Demonstration**
 - Live demo of FTK Imager / Autopsy tools: Creating forensic disk images and calculating hash values.
- **Day 15: Mock Courtroom Trial & Final Assessment**
 - Cross-examination exercise of a Cyber Expert Witness in court.
 - Final Multiple-Choice Test & Certificate Distribution.

15-Day Teaching & Delivery Plan

A collection of handwritten signatures in blue ink, arranged in two rows. The top row contains six signatures, and the bottom row contains six signatures. The signatures are stylized and vary in length and complexity.

Day	Topic	Session Type	Hours	Activity / Practical Outcome
Day 1	Cyberlaw Foundations & Cybercrime Types	Lecture	2	Analyzing Case Scenarios (Jurisdiction)
Day 2	Substantive IT Act & BNS Offenses	Lecture + Case Law	2	Mapping IT Act Sections to BNS Crimes
Day 3	Intermediary Liability & Platform Compliance	Case Study Analysis	2	Reviewing Takedown Notices & Safe Harbor
Day 4	Electronic Evidence Rules (BSA 2023)	Interactive Lecture	2	Comparing Primary vs. Secondary Electronic Evidence
Day 5	Electronic Search & Seizure (BNSS 2023)	Lecture + Procedure	2	Reviewing Audio-Video Search Rules (Sec. 105 BNSS)
Day 6	Chain of Custody & Hash Verification	Practical Demo	2	Generating & Verifying Cryptographic Hashes
Day 7	Computer Forensics & Registry Logs	Lab Demonstration	2	Extracting Volatile Memory Data
Day 8	Mobile & Messaging App Forensics	Case Study	2	Verifying Admissibility of WhatsApp Evidence

A collection of handwritten signatures and initials in blue ink, including names like 'Vineta', 'Ankit', 'Ran', 'Feyu', and others, some with checkmarks or additional markings.

Day	Topic	Session Type	Hours	Activity / Practical Outcome
Day 9	Email Header & IP Tracking	Practical Exercise	2	Analyzing Email Headers for Spoofing
Day 10	Fintech Crimes & Banking Frauds	Lecture + Sandbox	2	Drafting Freeze Requests for Fraudulent Accounts
Day 11	Deepfakes, AI & Dark Web Crimes	Lecture	2	Reviewing AI Regulation & Evidentiary Issues
Day 12	Drafting Electronic Evidence Certificates	Lab Session	2	Drafting Certificate under BSA 2023
Day 13	Drafting Complaints & Intermediary Notices	Lab Session	2	Drafting Sec. 94 BNSS Notice to Intermediaries
Day 14	Practical Forensics Tool Demo	Lab / Tool Demo	2	Hands-on Demo: FTK Imager & Autopsy
Day 15	Mock Courtroom Evidence Arguments	Simulation + Exam	2	Cross-Examining a Digital Forensic Expert

Assessment Criteria

- Attendance & Active Lab Participation: 20%
- Drafting Assignments (BSA Certificate + Cyber Complaint): 40%
- Mock Trial / Expert Witness Simulation: 20%
- Final Written Assessment (Day 15): 20%
